

## Tequila & The Beach - All Inclusive 6 Days, 5 Nights

The area surrounding the city of Tequila boasts a wealth of volcanic soil, making it an ideal environment for the growth of the blue agave plant. Over 300 million blue agave plants are harvested in this region annually, many of which are used in the production of the beverage Tequila. A legendary drink ingrained in Mexican tradition, Tequila has become a symbol of Mexico, and we can think of no better way to celebrate it than with one of our Tequila Tours. Visit the state of Jalisco, home to the city for which the drink is named. Tour the Cuervo and Sauza distilleries for a glimpse into the methods of Tequila-making. Stay on the grounds of the tequila factory La Cofriada, and of course, try the national drink of Mexico in various forms. This tour also takes a scenic trip through the famed Sierra Madre Mountains and culminates in a relaxing stay on the sandy beaches of Puerto Vallarta. This Tequila Tour combines fun and relaxation in what is sure to be a most memorable escapade.
